5 Garantía

Todos nuestros fregaderos tienen una garantía por el plazo de cinco años a partir de su fecha de compra. Los fregaderos de éste catálogo han sido diseñados para un uso doméstico y deben ser instalados por personal cualificado, un mal uso, una instalación incorrecta o, una reparación no autorizada por el fabricante, anulan automáticamente la garantía. En el caso improbable de sufrir una avería o defecto en el producto, Mundilite ofrecerá la posibilidad del cambio o reparación del producto (en ningún caso el reembolso económico) dependiendo de la magnitud de la avería, y siempre a través del comercio donde se adquirió el producto. Para que la garantía sea efectiva, habrá un reconocimiento explícito por parte de nuestro departamento de calidad, de que el defecto o merma está contemplado en los supuestos que cubre la garantía. La garantía no contempla gastos de montaje o desmontaje, instalación, o indemnización alguna por daños ocasionados directa o indirectamente.

5 Garantie

Tous nos éviers ont une garantie de cinq ans à compter de la date d'achat. Les éviers de ce catalogue ont été conçus pour un usage domestique et doivent être installés par du personnel qualifié ; une mauvaise utilisation, une installation incorrecte ou une réparation non autorisée par le fabricant annulent automatiquement la garantie. Dans l'éventualité peu probable d'une défaillance ou d'un défaut du produit, Mundilite offrira la possibilité de changer ou de réparer le produit (en aucun cas le remboursement économique) en fonction de l'étendue de la défaillance, et toujours par le biais du magasin où le produit a été acheté. Pour que la garantie soit effective, notre service de la qualité doit reconnaître explicitement que le défaut ou la défaillance relève des cas couverts par la garantie. La garantie n'inclut pas les frais de montage ou de démontage, d'installation ou de réparation des dommages causés directement ou indirectement.

5 Warranty

All our sinks have a five-year warranty from the purchase date. The sinks in this catalog have been designed for domestic use and must be installed by qualified personnel; misuse, incorrect installation or, a repair not authorized by the manufacturer, automatically void the warranty. In the unlikely event of a fault or defect in the product, Mundilite will offer the chance to change or repair the product (not a refund in any circumstances) depending on the magnitude of the damage, and always through the store where the product was purchased. For the warranty to be effective, there will be an explicit acknowledgment by our quality department that the defect or wastage is set out in the circumstances covered by the warranty. The warranty does not include assembly or disassembly costs, installation, or compensation for damages caused directly or indirectly.

5 Garanzia

Tutti i nostri lavelli hanno una garanzia di cinque anni a partire dalla data di acquisto. I lavelli in questo catalogo sono stati progettati per un uso domestico e devono essere installati da personale qualificato. Un uso improprio, un'installazione errata o una riparazione non autorizzata dal produttore annullano automaticamente la garanzia. Nell'improbabile eventualità di un guasto o di un difetto nel prodotto, Mundilite offrirà la possibilità di cambiare o riparare il prodotto (in nessun caso un rimborso economico) a seconda dell'entità del danno, e sempre tramite il punto vendita in cui è stato acquistato il prodotto. Affinché la garanzia sia efficace, sarà necessario un riconoscimento esplicito da parte del nostro reparto qualità del fatto che il difetto o guasto è previsto nei casi coperti dalla garanzia. La garanzia non include le spese di montaggio o di smontaggio, l'installazione o il risarcimento dei danni causati direttamente o indirettamente.
